

MARCYN

P R A I A

A MARCYN foi buscar inspiração nos elementos da natureza para criar uma coleção de praia que mistura lisos, estampados, acessórios diferenciados e muita cor.

A grande novidade são as estampas digitais exclusivas que representam com perfeita definição texturas e cenários. Além disso, duas estampas multicoloridas, vendidas avulsas, se destacam quando misturadas às cores, criando lindos conjuntos em looks diferenciados.

Outra coleção que está entre as tops é a que vem assinada pela consultora de alinhamento corporal, Janaina Crescente. São estampas maravilhosas que passeiam entre as tendências do *animal print*, geométrico preto e branco, *tie dye* e floral exótico, em maiôs e biquínis na sua medida!

E para fechar tudo isso com chave de ouro, nada melhor que um cenário paradisíaco para as fotos das coleções... as praias de Arraial do Cabo, RJ, que se destacam entre as mais lindas do mundo e são a perfeita harmonia entre tudo o que há de mais belo do nosso país!

Prepare-se para o melhor verão da sua vida!
